Perry Brooks Garage-720 Brazos Street
Credit cards accepted
You can reserve a spot online using link below
<https://www.parkme.com/map#Austin%2078701>

This facility does not allow for in and out privileges. You may not enter/exit more than once. Enter this location at 720 Brazos St. Garage operated by Peak Parking. It is located on the west/left-hand side of Brazos St. (a one-way street) between E 7th St. and E 8th St. The entrance is marked by a white 'P' sign with blue lettering. Two minute walk to/from The Driskill Hotel

Another self parking option for street parking using the PARK ATX app:

Download the Park ATX app, available for free on Apple and Android devices.

Create an account with your mobile phone number or email address, set up payment and add your vehicle license plate(s).

Park where you see Park ATX app signs and decals. In the app, start a parking session and locate the zone number for where you are parking. You can find the zone number on posted signs, on the front of a pay station, or on a single space meter. If you turn on location tracking in the app, the zone number will automatically populate.

Select the amount of time you wish to stay by sliding the time bar at the bottom of the app and confirm your stay.

Pay for the time you use and nothing more. If you have any unused time when leaving the parking space, simply stop the parking session and the remaining time will be refunded back into your wallet.
